NOTES

1. BASIS OF PREPARATION

These unaudited condensed interim consolidated financial statements for the six month period ended 30 June 2022 have been prepared in accordance with International Accounting Standard (IAS) 34 *Interim Financial Reporting*.

These interim condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements as at 31 December 2021, which have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union (EU).

In addition, results for the six-month period ended 30 June 2022 are not necessarily indicative of the results that may be expected for the financial year ending 31st December 2022.

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted are consistent with those of the Group's financial statements for the year ended 31 December 2021.

Use of judgements and estimates

In preparing condensed interim consolidated financial statements, the Board of Directors have made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

There have been no material revisions to the natures and estimates of amounts reported in prior periods. The significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the consolidated financial statements as at 31 December 2021.
